I am hereby informing you that you have two (2) files in my name, and that is why you are saying it is incomplete, one with claim number 104126 and the other with claim number 171908. I would like you to collate it and place the documents in 171908. I sent all possible documents, and I responded to all of your letters, but I did not realize that the numbers were different and I only sent one, although you sent me two. I'd like to ask you to please correct it, so that you have my complete file.

My claim is for the increases that I no longer received, under Act 85, Act 34, Act 2000, and any other amount that is owed to me since I worked for the Department of Education from 1977 to 2007, and in the Retirement System from 2007 to present. Neither the Department of Education nor the Retirement System will provide us with documents indicating what they owe us. I can only send the pension certification for years of service and the employment end letter and acceptance letter.
